

## COMMERCIAL FARMERS

The Township Agricultural Advisory Council and the Millstone Township Fire Official are hosting an informational meeting for commercial farms and farms that house labor or invite the public onto the premises. The State is enforcing policies and the Fire Officials will be available to explain the rules and answer questions regarding what they are looking for when performing their annual inspection of commercial farms. Any questions, please call Melissa Peerboom at 732-446-4249 ext. 1103.
